

AMMA Summer Newsletter 2025

Dear members,

Welcome to 2025, a year of service improvement and information sharing.

To start the year, I have reviewed our regular email addresses and have found numerous discrepancies. Regrettably, a considerable number of you have not been receiving our regular mail outs for which I can only apologise.

Along with this Summer Newsletter I have included the last two Magazines of 2024.

All previous Magazines can be found in the members info. on our website. Remember the username is “motor” and the password is “museum@amma”.

I am incredibly pleased to announce that membership numbers have increased beyond our pre-covid levels which is extremely exciting.

However, due to the glitch in our address system, there are many regular members who have not renewed for 2025. Invoices were emailed back in June 2024. Can you *please* look back through your emails of June last year for your invoice. Your payment would be greatly appreciated as funds are used to produce the AMMA Brochure and Magazines.

Fees remain unchanged, \$100.00 per annum, less than \$2.00 per week. Banking details remain unchanged which are: BSB: 633000 Account: 147246201.

In addition to our usual marketing, this year every member that has renewed this financial year has received a membership certificate stating years of membership.

If your museum initials appear on this list you are unfinancial, and we would be very pleased if you could rectify the situation. AWM act, BFF wa, CHS qld, CMM vic, CCM nsw, FMQ qld, FSM vic, GVC nz, GMM sa, DM vic, MMG vic, MCA vic, MTM vic, NAM tas, NMV sa, NTM nsw, SFR sa, YMM wa.

The AMMA Board is here to assist you by circulating nationally our combined brochure, and keeping you informed through our Magazine news and events from here and around the World.

Each magazine produce quarterly has a featured member museum as well as hot topics of conversation that you may wish to include or engage with fellow members.

If your situation has changed, then we need to hear about it, adjust our records accordingly, so we can actively support your ongoing activities.

Stay safe and prosper within the Museum Community for 2025 and beyond.

Yours sincerely,
Colin Kiel,
AMMA President
