General			
Business	Brochure - been well accepted and only approx 100 left Discussion re a more generic brochure - based on being able to update instantly Look at QR code to allow instant info Zoom meeting more frequently - perhaps 3 monthly? Newsletter needs to be more informative - Ian to liaise with Colin including relative articles for museums Register of members brochures- put on website linking to their museums AMMA brochure not up to date - at time of printing it was correct, many museums Did not renew although were listed on the brochure. Look at a PDF brochure for downloading, the current website needs to change to allow for more current updating Look at members brochures on website to be able to download for visitors- make website Simpler for listing - Daryl, Ian and Patric can help Museums can have a simple brochure to guide them around Being able to download brochure onto phones eg. Silo Trail It is important to keep the lines of communication open to all		

John spoke about the SKoda & Tatra Museum - it has been operating for 2 years, it is based in Oberon NSW, they share with 2 other museums, they have a successful association with Denmark/Chec, they have a 10 group committee, they are raising money for stage 2 of their development, they have an old Skoda and 5 young enthusiasts assisting, the future looks good.
