General

Business Brochure - to be redesigned and reprinted - request from members for photos  
Ian to discuss with his printer, QR codes linking back to website, will help improve  
Our communication to community and lift our profile. Look at A3, A4 with QR codes and "pdf" format  
WA - Patric requested print of 5-10,000 brochures, needing another box  
WA was isolated during Covid but business was OK, in 2022 they are approx. 34% up on 2019, local advertising was beneficial, the museum has had a massive upgrade, LED lighting, big fans, removed skylights, and considerable maintenance works. Consider AMMA assisting with list of suppliers for museum shops to give us a better buying price, grants have dried up, AMMA to look at availability of grants.  
Carl Amor to assist WA as manufacturers of LED lighting, remotely controlled  
Carl to follow up Southward Museum NZ to join AMMA  
Daryl to follow up Chas Kelly in Tassie re membership  
SkodaMuseum- opened in 2019, had 5 vehicles and 121 items of memorabilia and many reference books. Has a committee of 10 mostly young members, artists are depicting Skodas on painting in the gallery, fundraising to attend.  
AMMA to look at changing Incorporation to another state other than SA  
Facebook - have links to other enthusiasts/associations  
- keep commented vented

Those present were thanked for their input and attendance.

Meeting closed at 5.30 AEDST (4.30 Qld time)
